# Role of Steering Committee (SC)

- Provide guidance to staff on process related issues, including civic engagement, and agenda setting
- Assist staff with community outreach and communications
- Provide guidance to staff on some technical content elements, such as project scopes, development scenarios, and the boundary
- Need not develop a consensus position, broker a compromise, or take formal votes

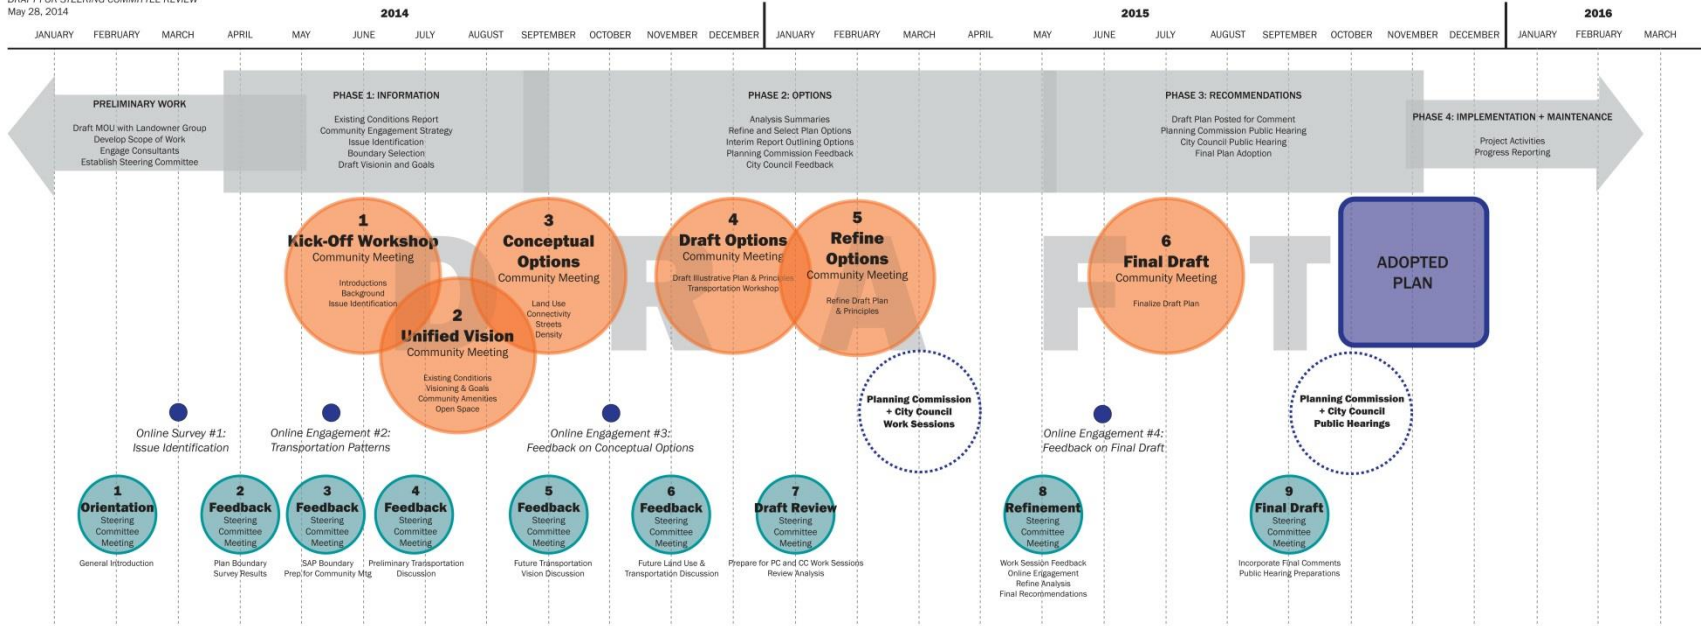

# Value of the SC to Staff

- Knowledgeable people who can give staff comments, opinions, and ideas
- Connected people who can serve as a conduit of information between the community and the City
- Consistent people who can participate in the whole planning process
- Involved people who can attend community meetings and both listen and take an active role
